Kids Inspire
Building relationships through
therapy, opportunity, love and care.

Help us to support Children & Families in Essex and create a better and more inspired, positive future.

Kids Inspire supports disadvantaged children in Essex to enable them to become healthy adults who contribute positively to society. Since 2007, our qualified, experienced team delivers bespoke mentoring, training and activity packages which empower children and the adults in their lives to make positive choices. Our service is open ended and child-centred.

£5.00 a month

£10.00 a month

contributes to therapies that reduce stress and anxiety for a parent that just feels unable to cope any longer.

£25.00 a month

will allow you to support a child that has suffered extreme abuse, neglect and trauma to have a more intensive psychotherapy.
